

Speaker Requirements for Audio/Visual (Pat Landaker)

Thank you for inviting Pat to participate in your event! We are very excited about this opportunity to work with both you and your group. Please take a moment to read this document and see what your next steps are for making Pat's presentation a memorable and remarkable success.

Audio/Visual – Pat prefers to use a lavalier microphone (cordless, clip-on) and then have a handheld microphone for her interactions with your audience. Pat also uses a PowerPoint presentation and requests a laptop/projector set up at the side (left or right) of the room's front with a remote clicker to change slides—and if possible, an assistant to run the slide presentation.

Thanks again for choosing Pat Landaker. Expect a call from Pat one to two weeks prior to your event. In the meantime, should you have any questions or comments, please do not hesitate to call us at 303-379-9181. Copyright 1/2012
